OPPORTUNITIES PLAN AND NEEDS PLAN

Opportunities Plan and Needs Plan

Opportunities Plan

- All projects identified by:
 - Individual counties
 - CRTPA Committees
 - CRTPA Board
 - Public input at workshops
 - Public input from MetroQuest survey

Needs Plan

- Projects from the Opportunities Plan
 - Plus projects based on travel demand model results
 - Minus projects in specific categories

Needs Plan

- **The Needs Plan does not include:**
 - Bridges, Resurfacing, Existing Sidewalks, Paving, Paved Shoulders
 - *These projects are not in the scope of a long range transportation plan, but are included in the Opportunities Plan to be provided to appropriate entities/agencies for other funding, where eligible*
 - Ineligible Trails (not concrete or asphalt)
 - *Only transportation trails can be included in the 2040 RMP for funding*
 - Duplicate projects
 - *Duplicate projects are consolidated into a single eligible project*
 - Bicycle/Pedestrian Projects under \$300,000
 - *These projects are included in a separate list for funding through the bicycle and pedestrian project set-aside funds, Transportation Alternatives Program funds, etc.*
 - Transit projects
 - *Transit projects are provided to transit agencies for consideration in the Transit Development Plan*
 - Funded projects
 - *Projects that are already funded through construction have not been evaluated*
 - Completed Projects
 - *Projects that are currently underway or that have been completed have been removed*

Connections 2040 RMP

EVALUATION OF PRELIMINARY NEEDS PLAN PROJECTS

Growth Areas - Updated

Activity Centers - Updated

Preliminary Needs Plan

- Review and provide comments on the Preliminary Needs Plan and evaluation results

Next Steps and Milestones

Next Steps

- Develop cost estimates for Needs Plan projects
- Apply revenue projections
- Develop Draft Cost Feasible Plan
 - Projects will be placed into tiers
 - All projects in the same tier are considered equal priority

Upcoming Milestones:

- **April 2015** - Draft Cost Feasible Plan will be presented to CRTPA Committees and Board
- **April 2015** - Draft Cost Feasible Plan will be presented at Public Workshops
- **May 2015** – Draft Final Cost Feasible Plan will be presented to CRTPA Committees and Board
- **May 2015** – Formal Public Meeting
- **June 2015** – Public Hearing
- **June 2015** – Adopt Final Cost Feasible Plan
