AGENDA ITEM 5 A

QUINCY BYPASS NORTHERN LOOP UPDATE

TYPE OF ITEM: No Action Required

STATEMENT OF ISSUE

The Florida Department of Transportation (FDOT) will be provided an update on project development activities of the Quincy Bypass Northern Loop in Gadsden County. Project limits are SR 12 to SR 267 (Pat Thomas Parkway) with funding through the project's design phase (both the Project Development & Environment and Design phases were funded in Fiscal Year 2016).

An alternatives public meeting was recently conducted on February 23 in Quincy to present initial engineering and environmental analysis conducted to date concerning the proposed projects. approximately 3 miles in length. Funding for the project's Project Development and Environment (PD&E) Study is included in the CRTPA's Fiscal Year (FY) 2016 – FY 2020 Transportation Improvement Program in FY 16 (\$825,000).

Pursuant to information provided by the FDOT (***Attachment 1***), the “proposed connection would improve existing conditions by alleviating traffic on S.R. 12 within the Quincy/Gadsden County area and especially through the historical district of Quincy...”

ALTERNATIVES PUBLIC INFORMATION MEETING

The Florida Department of Transportation (FDOT) invites you to attend an alternatives public information meeting concerning the Quincy Bypass Northern Loop connecting S.R. 12 and S.R. 267 Project Development and Environment (PD&E) Study.

The meeting will be held to present the initial engineering and environmental analysis to date and give the public an opportunity to provide comments concerning proposed improvements. The PD&E study will evaluate the "Build" and "No-Build" Alternatives based on the recommendation of the previous completed corridor study which evaluated three distinct corridors. As part of this study, FDOT will evaluate a roundabout at the intersection with S.R. 12/Quincy Bypass, south of the Quincy Municipal Airport. There will be no formal presentation; however, study materials, including maps, project graphics, and a video showing the functionality of roundabouts will be on display. FDOT representatives will be available to answer questions.

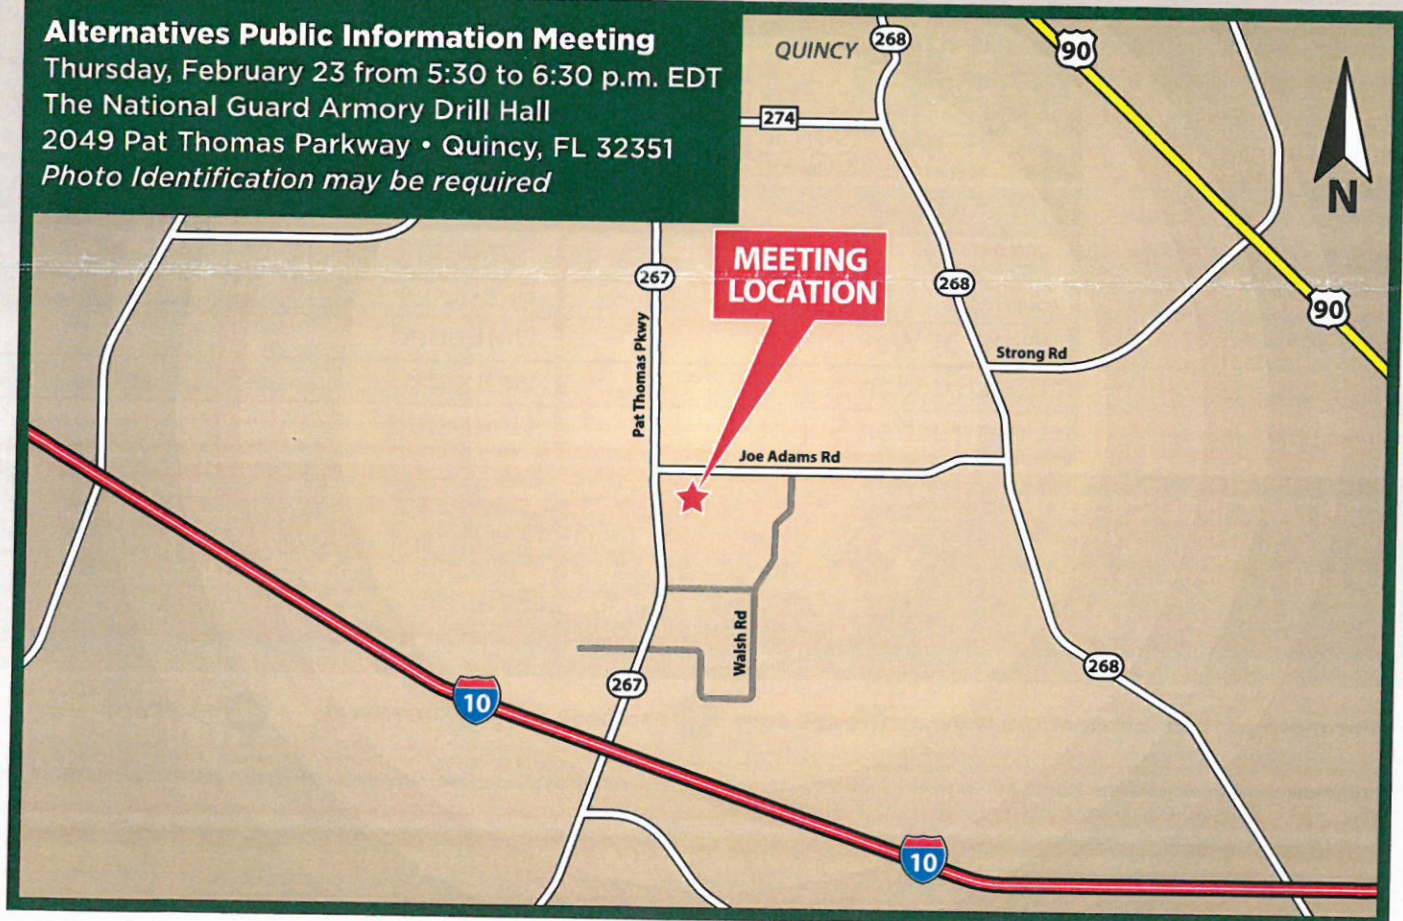

Alternatives Public Information Meeting

Thursday, February 23 from 5:30 to 6:30 p.m. EDT

The National Guard Armory Drill Hall

2049 Pat Thomas Parkway • Quincy, FL 32351

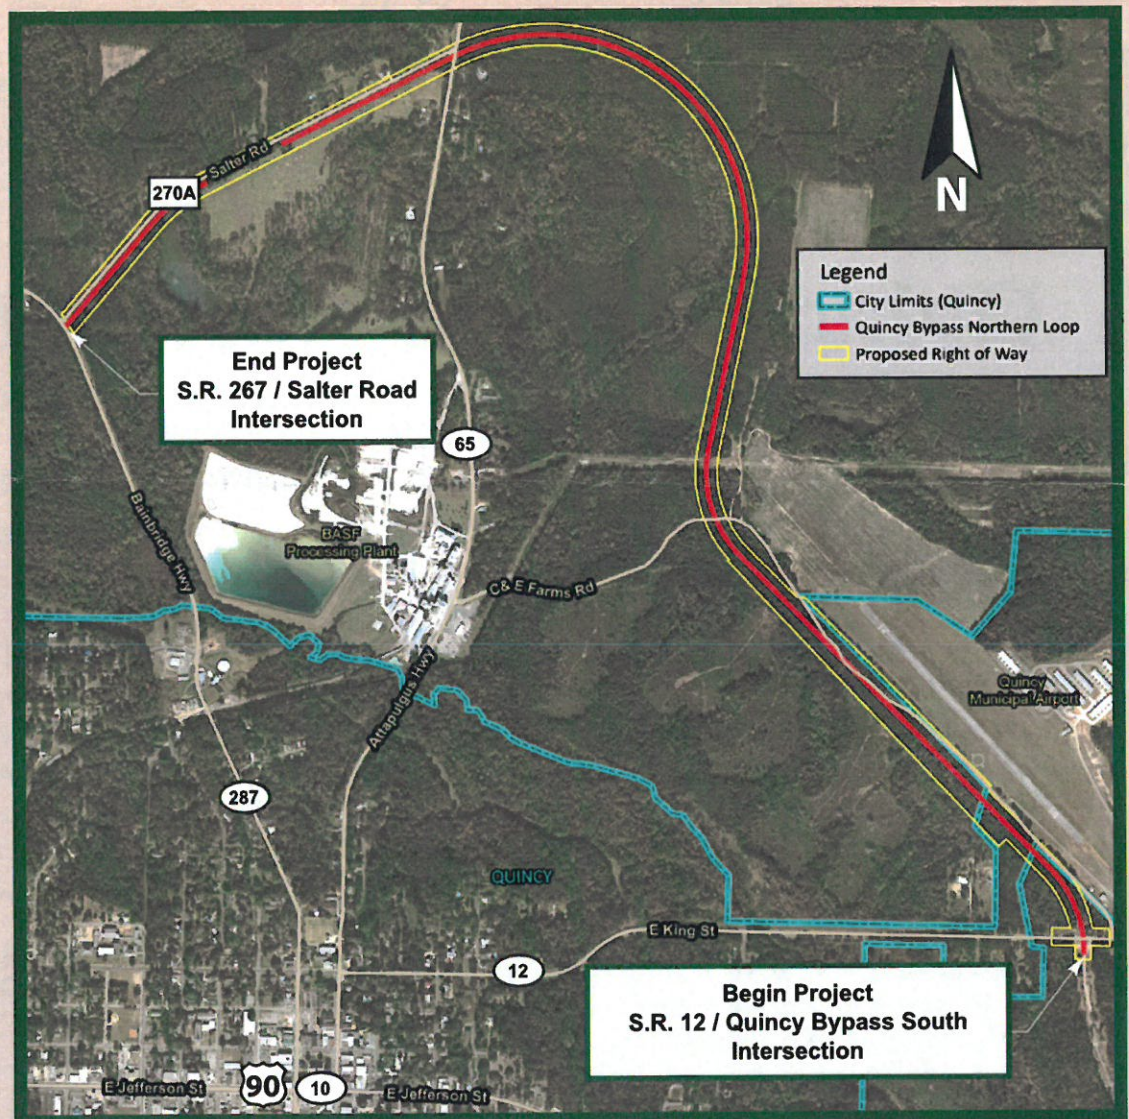

Photo Identification may be required

Quincy Bypass Northern Loop

PROJECT DESCRIPTION

The proposed new roadway will provide an east-west connection between S.R. 267 and S.R. 12, east of Quincy. The proposed connection would improve existing conditions by alleviating traffic on S.R. 12 within the Quincy/Gadsden County area and especially through the historical district of Quincy. This project has been funded through the design phase.

Phase	Funded /Unfunded
PD&E	Funded, FY 2016
Design	Funded, FY 2016
Right of Way	Unfunded
Construction	Unfunded
Construction Support	Unfunded

RE: Quincy Bypass Northern Loop from State Road (S.R.) 12 to S.R. 267
Project Development and Environment (PD&E) Study, Gadsden County
Financial Project Identification Number: 218946-6-22-01

Dear Interested Party:

The Florida Department of Transportation (FDOT) invites you to attend an alternatives public information meeting concerning the Quincy Bypass Northern Loop connecting S.R. 12 and S.R. 267. The meeting will be held Thursday, February 23 from 5:30 to 6:30 p.m. EDT at the National Guard Armory Drill Hall, 2049 Pat Thomas Parkway, Quincy.

This meeting is being held to present the initial engineering and environmental analysis to date and give the public an opportunity to provide comments concerning proposed improvements. The PD&E study will evaluate the "Build" and "No-Build" Alternatives based on the recommendation of the previous completed corridor study which evaluated three distinct corridors. As part of this study, FDOT will evaluate a roundabout at the intersection with S.R. 12/Quincy Bypass, south of the Quincy Municipal Airport. There will be no formal presentation; however, study materials, including maps, project graphics, and a video showing the functionality of roundabouts will be on display. FDOT representatives will be available to answer questions.

Enclosed for your review is a copy of the project information flyer to be distributed at the meeting. Your comments are welcomed and appreciated.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons who require special accommodations under the Americans with Disabilities Act, or persons who require translation services (free of charge) should contact Sherry Alaghemand, P.E., FDOT Project Manager, toll-free at (888) 638-0250, extension 1510 at least seven days prior to the meeting.

The environmental review, consultation, and other actions required by applicable federal environmental laws for this project are being, or have been, carried out by the Florida Department of Transportation (FDOT) pursuant to 23 U.S.C. §327 and a Memorandum of Understanding dated December 14, 2016 and executed by the Federal Highway Administration and FDOT.
