AGENDA ITEM 6 E

**GADSDEN COUNTY BRIDGE FUNDING REQUEST**

TYPE OF ITEM: Action

**STATEMENT OF ISSUE**

FDOT District 3 is requesting the use of \$140,000 in unallocated SU funds to assist in environmental mitigation necessary to complete the reconstruction of Attapulcus Bridge in Gadsden County.

**RECOMMENDED ACTION**

Option 1: Approve FDOT's request to use \$140,000 in SU funds to complete the Attapulcus Bridge reconstruction.

**HISTORY AND ANALYSIS**

For FY 2018, FDOT programmed \$4.27 million for the reconstruction of Attapulcus Bridge on CR 159 near Havana. During the development of the project, additional environmental mitigation in the amount of approximately \$240,000 was identified. FDOT has pulled \$100,000 from other sources and is requesting the use of \$140,000 of the \$210,000 in unallocated SU funds in the current year.

**OPTIONS**

Option 1: Approve FDOT's request to use \$140,000 in SU funds to complete the Attapulcus Bridge reconstruction. (RECOMMENDED)

Option 2: Provide other direction.
