Capital City to the Sea Trails

CONNECTING PEOPLE AND PLACES

Agenda

- **What has been accomplished**
  - Data collection and analysis
  - Review of existing plans and studies
  - Needs and Benefits analysis
  - Draft Guiding principles and evaluation criteria
  - Public Participation
- **What is currently underway**
  - Identification of corridors
  - Assessment of alternatives
- **Next Steps**
  - Public Workshops
  - PD&E/NEPA and Evaluation of Alternatives

Capital Region CRTPA Transportation Planning Agency

Public Workshop Feedback

- On a scale of 1 (strongly disagree) to 5 (strongly agree) the participants who completed a meeting evaluation form ranked the public workshops as follows:
  - The meeting location for the public meeting was conveniently accessible and is a good place to hold future meetings - **4.5**
  - Materials and visual aids were clean and easy to understand - **4.8**
  - There was ample opportunity to offer personal input - **5**
  - The staff conducting the meeting was receptive to personal input given by the citizens attending - **4.8**

Capital City to the Sea Trails

CONNECTING PEOPLE AND PLACES

Amenities Along Proposed Trails and Trailheads

- Water for both people and pets
- Restrooms
- Benches
- Shelter
- Parking for all user groups
- Signage
  - Keep signage uniform along the trails
  - Have signage for nearby restaurants and services
  - Have signage at natural/historical points of interest
  - Have user signage at trailheads to promote safety

Capital Region CRTPA Transportation Planning Agency

Kimley-Horn and Associates, Inc.

Capital City to the Sea Trails

CONNECTING PEOPLE AND PLACES

Marketing Plan Needed

- Things to be included:
  - Attend local events such as festivals or farmers markets and set up an informational table
  - Develop small informational cards and leaflet flyers to hand out/place in sporting goodie bags
  - Get schools and parent-teacher organizations involved
  - Organize rides to promote the CC2ST
  - Get businesses to support the project and have information available for them to distribute

Capital Region CRTPA Transportation Planning Agency

Kimley-Horn and Associates, Inc.

Capital City to the Sea Trails

CONNECTING PEOPLE AND PLACES

Draft Guiding Principles and Evaluation Criteria

- Participants at both public workshops validated the overarching goal, guiding principles, and evaluation criteria
  - Safety and regional transportation confirmed as high priorities
- Added emphasis on accessibility
- Added emphasis on health and wellness
- Added consideration of available right-of-way
- Added consideration of planned development
- Added consideration of environmental impacts consistent with PD&E criteria

Capital Region CRTPA Transportation Planning Agency

Kimley-Horn and Associates, Inc.

Capital City to the Sea Trails

CONNECTING PEOPLE AND PLACES

Draft

Overarching Goal of Capital City to the Sea Trails	
Develop a series of shared use paths that connect various areas from Capital Cascades Park in the City of Tallahassee all the way to the sea	
Guiding Principles	**Evaluation Criteria**
Increase Mobility	Increases Local Mobility
	Increases Regional Mobility
Improve Quality of Life	Increases Transportation Opportunities
	Increases Health, Wellness, and Recreational Opportunities
Connect People and Places	Extends the Network by Connecting Existing Facilities and Destinations
	Creates a Regional Facility
Improve Access	Provides Public Access to Managed Lands
	Provides Access for Transportation Disadvantaged
	Provides Universal Accessibility for the Differently-Abled
Increase Interpretation and Educational Opportunities	Provides Opportunities for Historical Interpretation
	Provides Opportunities for Cultural Interpretation
	Provides Opportunities for Environmental Interpretation
Provide Opportunities for Sustainable Economic Growth	Potential to Attract Tourists
	Connects to Commercial Corridors
	Located in Proximity to Local Businesses
Increase Awareness of Capital Region	Would be Useful for Marketing and Promoting the Region
	Would Create a Sense of Place in the Region
Enhances Environmental Quality	Provides Opportunities to Enhance the Natural Environment
Minimize Maintenance Requirements	Minimizes the Costs for Maintaining the Trail
Improve Safety	Improves Safety for a Variety of User Types

Capital City to the Sea Trails

CONNECTING PEOPLE AND PLACES

Strategies and Issues

- Types of User Conflicts
  - Dog Hunting
  - Off-Highway (Off-Road) Vehicles
    - Create alternative route segments which avoid these areas
- Panacea
  - Very supportive of having CC2ST in their community and are pushing to have US 98 be the highest priority

Capital Region CRTPA Transportation Planning Agency

Kimley-Horn and Associates, Inc.

Capital City to the Sea Trails

CONNECTING PEOPLE AND PLACES

Trail Classifications

Trail Classes		Class 1	Class 2	Class 3
Characteristics	Role	Serve as network spines: These are major trail segments that other trail segments build off of to form a network	Serve as trail linkages: These are trail segments that provide connections between Class 1 Trails	Serve as spur trails: These trails provide linkages from Class 1 and Class 2 Trails trails to specific destinations that are not along the primary trail network
	Connections	Connect two or more communities	Connect one or two commuities to a Class 1 Trail	Connect Class 1 and Class 2 Trails to specific destinations
	Distance	Are greater than 10 miles in length	Range from 5 to 10 miles in length	Are less than 5 miles in length

Next Steps

- Conduct public workshops
- Develop maintenance guidance
- Develop phasing and priorities
- Develop implementation strategies
- Compile best management practices
- Identify supportive infrastructure
- Identify potential funding opportunities
- Finalize Master Plan
- Develop Marketing Plan
- PD&E Evaluation
