

State Road (S.R.) 61 (U.S. 319)

FPID's 220496-2-22-01 and 219747-2-22-01

Conceptual Design and Environmental Reevaluation

September 2013

S.R. 61 (U.S. 319)

FDOT Project Manager:
April Williams, P.E.
(850) 330-1625
april.williams@dot.state.fl.us

Purpose of briefing:

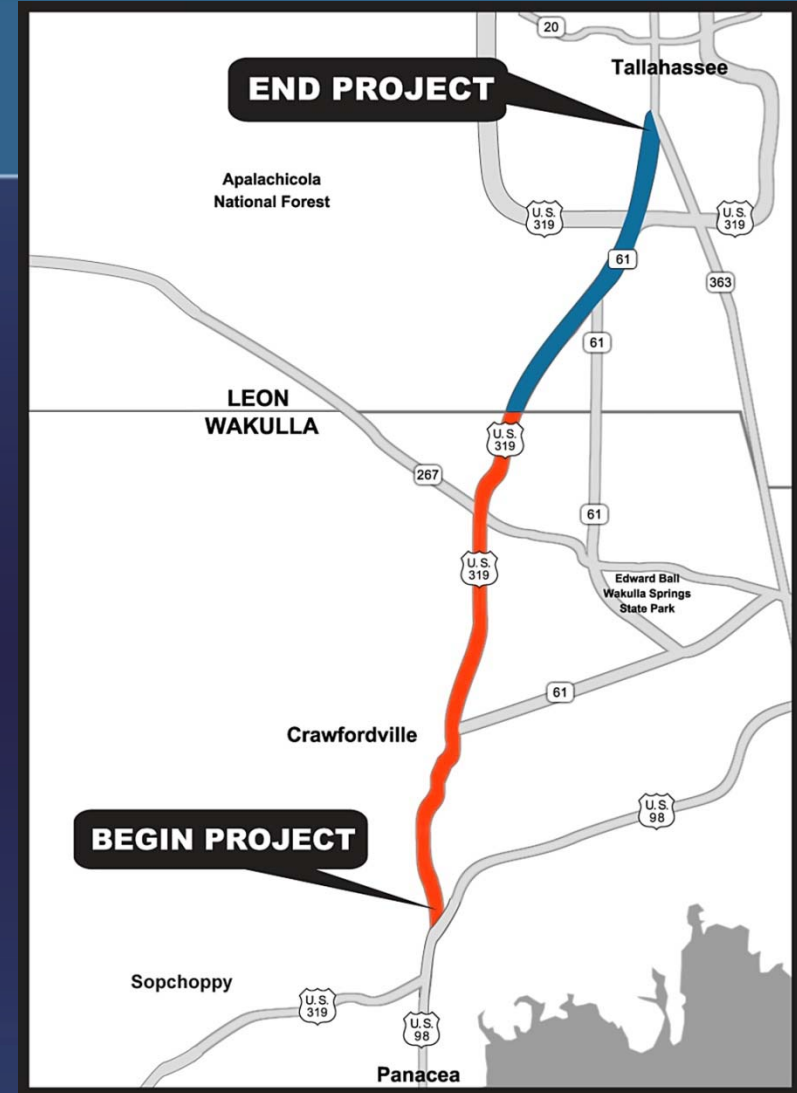

- ✓ provide overview of project
- ✓ provide schedule & benchmarks

S.R. 61 (U.S. 319)

Project Limits:

- ✓ 20 miles
- ✓ S.R. 61 (U.S. 319) from S.R. 30 (U.S. 98) to Leon County line
- ✓ S.R. 61/369 (U.S. 319) from Wakulla County line to beginning of four lane at Rivers Road

S.R. 61 (U.S. 319)

3 Focus Areas:

1. S.R. 61 (U.S. 319) to intersection of County Road 61 approx. 6.7 miles in Wakulla County
2. From intersection of County Road 61 to Leon County line approx. 9 miles in Wakulla County
3. S.R. 61/369 (U.S. 319) from Wakulla County line to beginning of the four lane at Rivers Road approx. 4.25 miles in Leon County

S.R. 61 (U.S. 319)

The proposed improvements to Crawfordville Highway are needed to:

- ✓ improve mobility
- ✓ relieve traffic congestion
- ✓ improve traffic circulation
- ✓ improve upon the areas pedestrian and bicycle connectivity
- ✓ provide for and ensure public safety while protecting the environment

S.R. 61 (U.S. 319)

- ✓ Presently not in the Strategic Intermodal System (SIS) Plan

S.R. 61 (U.S. 319)

Component	Schedule
PD&E	1996
Conceptual Design and Environmental Reevaluation	Now underway Complete in 2015
Right-of-Way	Not funded
Construction	Not funded

S.R. 61 (U.S. 319)

Task	Schedule
Traffic Analysis	Now – Jan. 2014
Engineering Analysis	Now – Aug. 2014
Environmental Analysis	Now – Dec. 2013
Alternatives Public Meeting	May 2014
Public Hearing	Jan. 2015
Final Conceptual Plans	May 2015
Location Design Concept Acceptance	July 2015

S.R. 61 (U.S. 319)
