1. **AGENDA MODIFICATIONS**

2. **CONSENT AGENDA**

A. Approval of the minutes of the March 4, 2008 meeting

Committee Action: Mr. Woolery made the motion to accept the minutes with the noted modifications. Mr. Wu seconded the motion and the motion was unanimously passed.

3. **CONSENT ITEMS PULLED FOR DISCUSSION**

4. **PRESENTATIONS/DISCUSSION**

A. FY 09/10 Unified Planning Work Program (UPWP)

This item seeks approval to transmit the final UPWP to review agencies. The UPWP serves as the agency's work plan through the identification of federally funded transportation planning activities to be undertaken by the CRTPA during the upcoming fiscal year. This year marks the first time that the CRTPA and all MPO's in the State of Florida will be developing two-year UPWP's. Therefore, the activities included in the document reflect the CRTPA's work effort for FY 09 and FY 10.

Ms. Colleen Roland presented the UPWP. She stated the committee reviewed the draft of the UPWP in March and then the document was transmitted to the Federal Highway Administration and their comments have been incorporated into the document. She stated these comments were mostly directed to the formatting in the document and no significant changes have been made since the March review. Staff was seeking approval for transmittal to the CRTPA Board. Mrs. Roland noted that the Citizen's Advisory Committee submitted no comments.

Committee Action: Mr. Inglese made a motion to transmit the UPWP. Mr. Woolery seconded the motion to transmit the UPWP and the motion was passed.

B. FY 2008 – FY 2012 Transportation Improvement Program (TIP) Amendment

The Florida Department of Transportation (FDOT) has requested that the CRTPA amend the current FY 2008 – FY 2012 TIP to reflect:

- Funding for the completion of a corridor management plan for the Big Bend Scenic Byway; and,
- Funding for the purchase the purchase of signs associated with the Big Bend Scenic Byway.

Mr. Burke stated that FDOT required the TIP be amended to include the funding for the corridor management plan and for the designation of the Big Bend Scenic Byway. He stated this was a federal designation program and brings attention to a scenic route and future decisions would be consistent with keeping it scenic.

Committee Action: Mr. Woolery made a motion to approve the FY 2008 – FY 2012 Transportation Improvement Program (TIP) Amendment. Mr. Wu seconded the motion and the motion was passed.

C. FY 09/13 Major Priority Project List Direction

At the May 21, 2007 CRTPA meeting, members approved the creation of the Major Priority Project List Subcommittee to be tasked with recommending a process to quantify the evaluation criteria used in generating the Major Priority Project List.

Mr. Burke outlined the background information for the process to quantify the evaluation criteria used in generating the Major Priority Project List. He stated the Federal Highway Administration made a comment during the last certification stating there needed to be a way to quantify the projects.

Committee Action: Mr. Inglese made a motion to approve the FY 09/13 Major Priority Project List Direction. Mr. Wu seconded the motion and the motion was passed.

D. Lafayette Street Pedestrian Tunnel

CRTPA staff will provide an update of the Lafayette Street pedestrian tunnel project.

Mr. Reed briefly provided an update on the Lafayette Street Pedestrian Tunnel. He has been in discussions with an engineer and discussed less costly ways to accomplish the same end result.

Committee Action: This item was an informational item and no action was taken.

E. Regional Mobility Plan Update

CRTPA staff will provide an update on the upcoming CRTPA Regional Mobility Plan.

Mr. Reed briefly stated that a consultant has been selected and would be presented for approval to the CRTPA Board. After approval at the Board meeting in May staff would begin negotiations with the Consultant.

Committee Action: This item was an informational item and no action was taken.

F. Pensacola Street Update

CRTPA staff will provide an update on the resurfacing of Pensacola St.

Mr. Reed provided an update on the Pensacola Street Resurfacing project. He noted that FDOT has reviewed the project and has redesigned the project to include bike lanes as suggested by the CRTPA sub-committees and the CRTPA Board.

Committee Action: This item was an informational item and no action was taken.

5. OPEN FORUM FOR PUBLIC COMMENT

Citizens are invited to address the Committee.
