What are your top 3 priorities for the C RTPA Connections 2045 Regional Mobility Plan update?

Improve the safety of transportation facilities for all populations in the region.

2 1 1 1
3 2 1
2

Enhance connectivity between destinations within the region by different travel modes, such as bicycle, vehicular, and transit.

2 2 1 2
2 3
1

Provide all residents and visitors with access to different transportation options to create economic opportunities and improve quality of life throughout the region.

2 3 3
1 3

Promote a diversity of travel choices and facilitate movement and connections among people, jobs, goods and services, and other travel modes.

3 3 1 2
2 1 2
2

Coordinate transportation strategies and investments with local and regional land use initiatives to foster vibrant communities throughout the region.

3
3

Promote and implement transportation improvements for all modes ensuring security of the transportation system.

Economic Development

Coordinate transportation investments with local and regional economic development initiatives.

1 2 3
3

Natural Resource Protection and Conservation

Protect the region's environmental, cultural and historical areas of interest through best practices related to expansion of transportation opportunities.

1 1 1 3
2 3

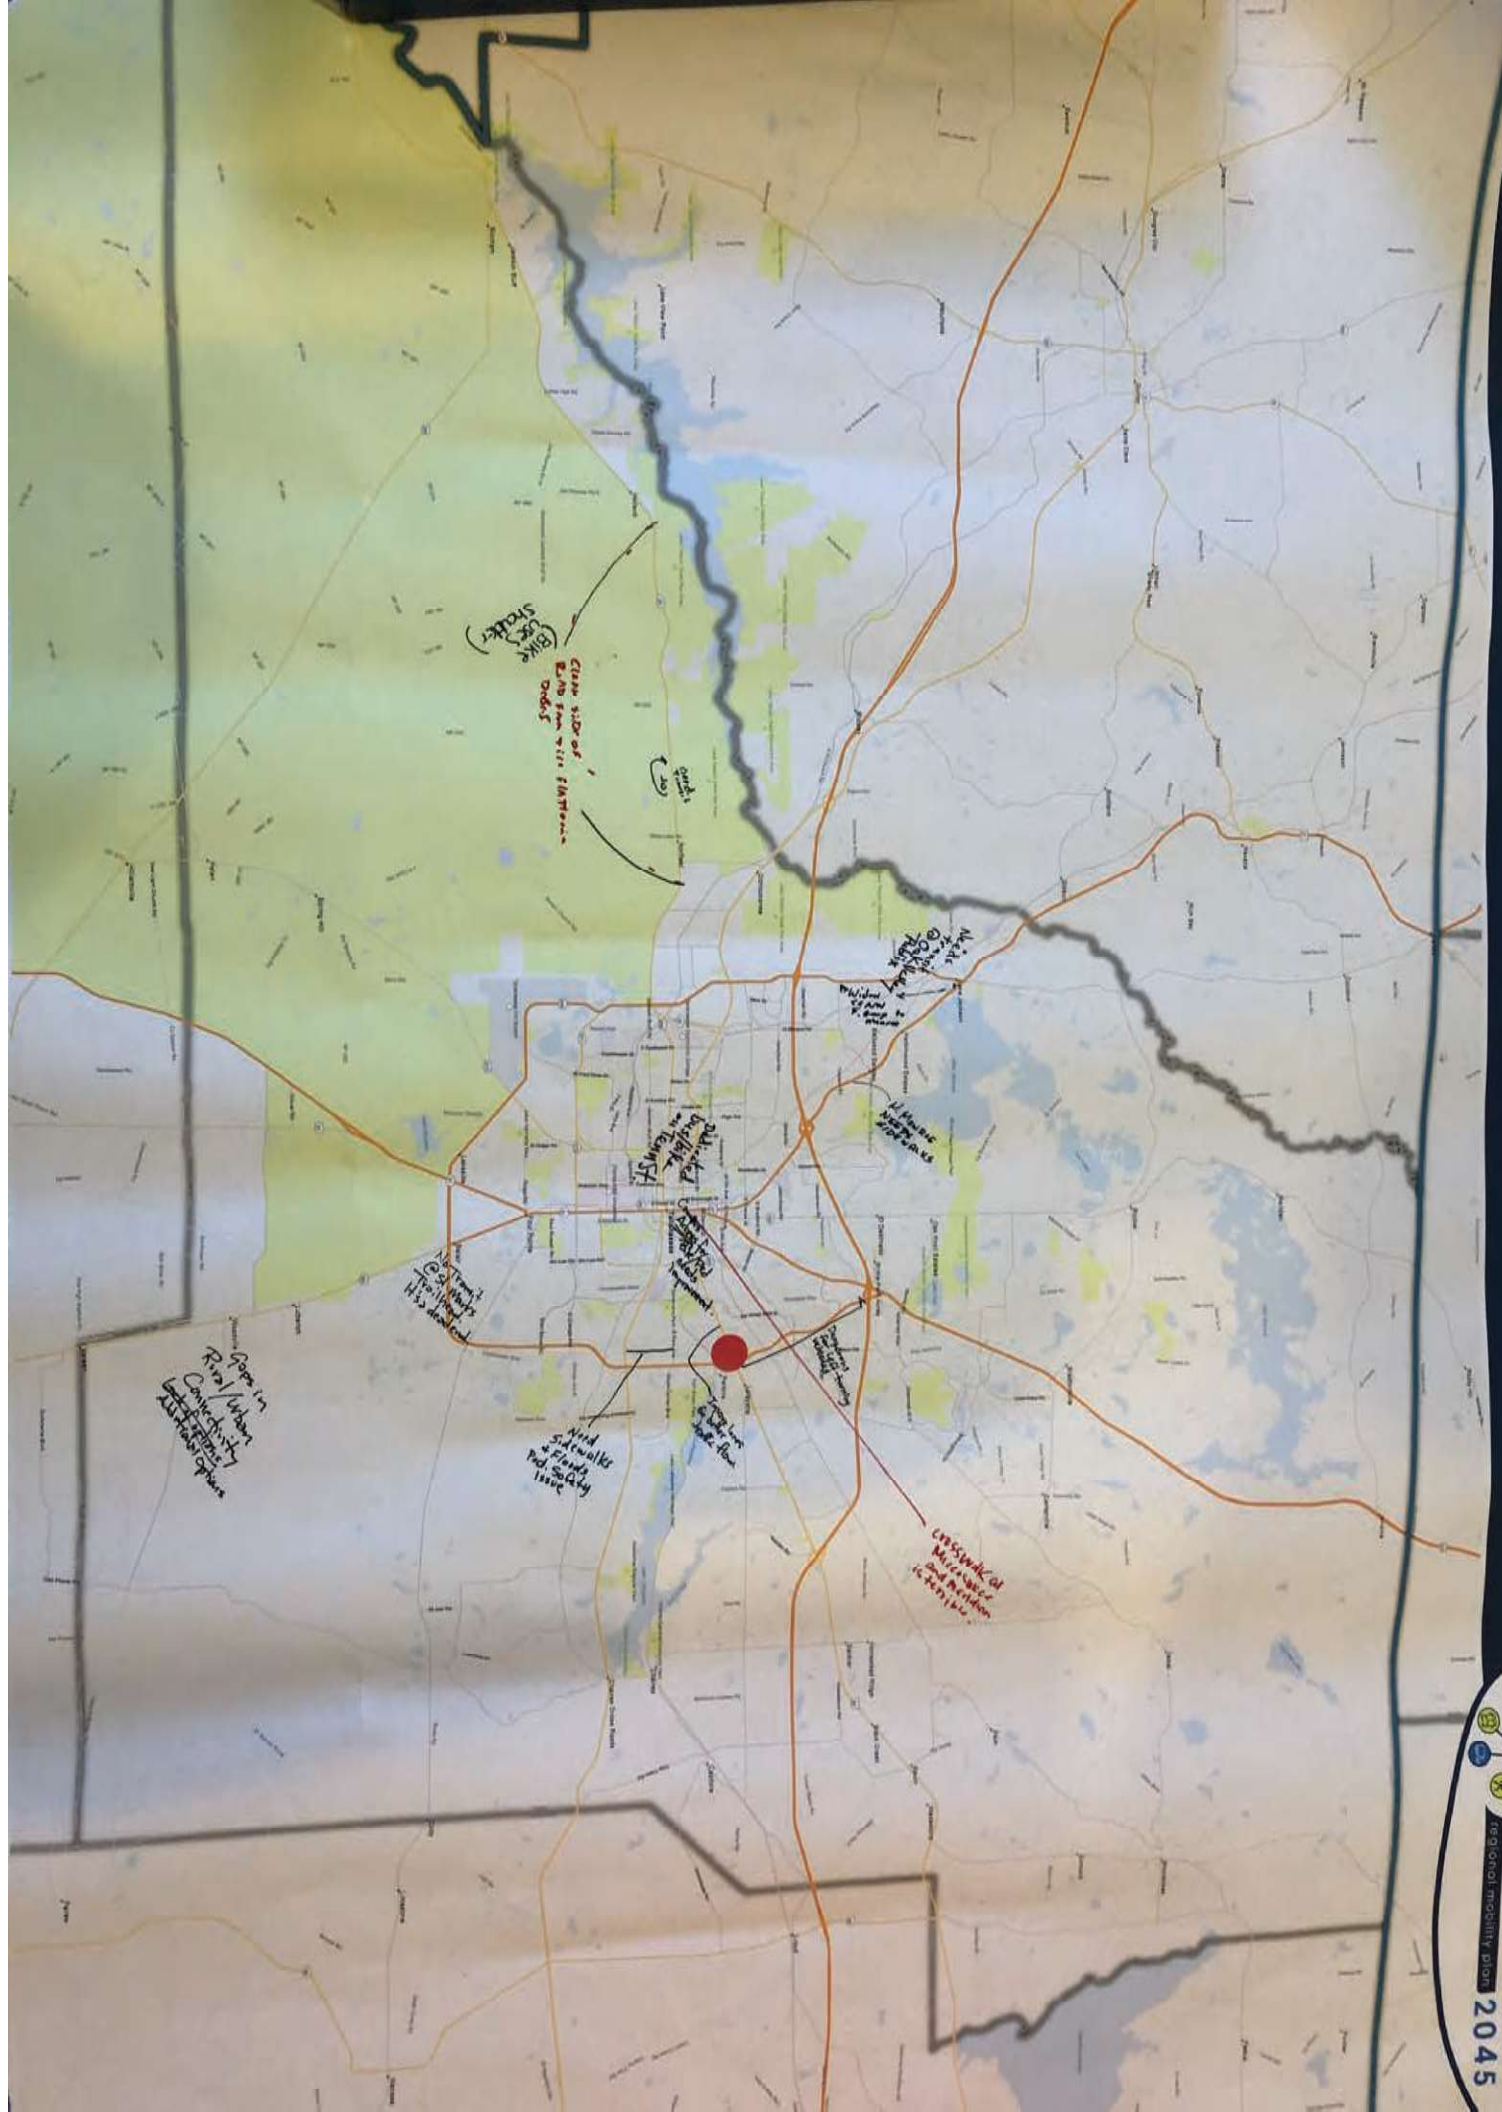

Public Health

Promote public health by increasing the diversity of travel choice, safety and access to transportation facilities for all populations in the region.
