## 1. Qualifying Transportation Alternatives Activities:

**TA Set-Aside projects must benefit the general public (23 CFR 1.23 and 23 CFR 460.2).**

Check the Transportation Alternatives Program (TAP) activity that the proposed project will address.

**(NOTE: Checking all activities possible does not ensure or increase eligibility. Each activity checked must meet all criteria required by FHWA. Click the following link for additional information;**

[Transportation Alternatives Set-Aside](#)

- ☐ Construction, Planning, and Design of on-road and off-road trail facilities for pedestrians, bicyclists, and other non-motorized forms of transportation including sidewalks, bicycle infrastructure, pedestrian and bicycle signals, traffic calming techniques, lighting and other safety-related infrastructure, and transportation projects to achieve compliance with the Americans with Disabilities Act of 1990
- ☐ Construction, planning, and design of infrastructure-related projects and systems that will provide safe routes for non-drivers, including children, older adults, and individuals with disabilities to access daily needs
- ☐ Conversion and use of abandoned railroad corridors for trails for pedestrians, bicyclists, or other non-motorized transportation users
- ☐ Construction of turnouts, overlooks, and viewing areas
- ☐ Community improvement activities, including:
  - Inventory, control, or removal of outdoor advertising;
  - Historic preservation and rehabilitation of historic transportation facilities;
  - Vegetation management practices in transportation rights-of-way to improve roadway safety, prevent against invasive species, and provide erosion control; and
  - Archaeological activities relating to impacts from implementation of a transportation project eligible under 23 USC.

- ☐ **Any** environmental mitigation activity, including pollution prevention and pollution abatement activities and mitigation to:
  - Address storm water management, control, and water pollution prevention or abatement related to highway construction or due to highway runoff including activities described in 23 USC 133(b)(11), 328(a) and 329; or
  - Reduce vehicle-caused wildlife mortality or to restore and maintain connectivity among terrestrial or aquatic habitats.
- ☐ [The Recreational Trails Program](#) under 23 USC 206 – Contact Pamela Lister at Department of Environmental Protection, Office of Operations, Land and Recreation Grants (850) 245-2501, or email [Pamela.Lister@dep.state.fl.us](mailto:Pamela.Lister@dep.state.fl.us) for further information.

- ☐ Planning, designing, or constructing boulevards and other roadways largely in the right-of-way of former Interstate System routes or other divided highways.

## 2. Project Description:

A. Enter Project Description (*Use additional sheets as necessary to respond to the following*)

B. What type of work is being proposed? (Check all that apply)

- ☐ Planning Activities
- ☐ Project Development and Environmental Studies
- ☐ Engineering and Final Plans Preparation Work
- ☐ Right of Way Acquisition
- ☐ Construction
- ☐ Construction Engineering and Inspection Activities

C. Project(s) Description. Please list **EACH** proposed roadway segment.

-  F. Right-of-Way Ownership - Identify existing right-of-Way ownerships.

R/W Owner(s) \_\_\_\_\_

*Note: Application and all back-up documents are on 8.5" x 11" scale. DO NOT provide reduced copies of original plats/maps that cannot be read at that scale. Documentation should be handled as follows:*

Provide existing right-of-way width(s) on typical section(s) or on a separate right-of-way map, if preferred. Include available verification information of when the right-of-way was acquired and how and where ownership is documented. For plats, deeds, prescriptions, certified surveys, transfers, or easements, provide information that can be used to verify (i.e. book/page number if known, roadway transfer agreement from (original owner name) on (date), or easement language if applicable.

Has coordination with other owners taken place (if applicable)? ☐ Yes ☐ No ☐ N/A

If so, have they provided an adopted resolution of support? ☐ Yes ☐ No

If so, is it included? ☐ Yes ☐ No

Provide required right-of-way documentation (Right-of-Way.pdf): *(Required attachment)*

-  Right-of-Way Acquisition – This is defined as obtaining property not currently owned by the Local Agency through any means including: Deed, Easement, Dedication, Donation, etc.

☐ No Right-of-Way acquisition is proposed

Use of Property NOT in Outright Ownership - If applicable to this application:

## CERTIFICATION OF PROJECT SPONSOR

I hereby certify that the proposed project herein described is supported by Gadsden B.O.C.C.  
(Project Sponsor)

and that said entity will: (1) provide any required funding match; (2) enter into a maintenance agreement with the Florida Department of Transportation; (3) comply with the **Federal Uniform Relocation Assistance and Acquisition Policies Act** for any Right of Way actions required for the project, and (4) comply with the NEPA process prior to construction, which may require involvement with the **State Historic Preservation Officer (SHPO)**, and other State and/or Federal agencies, prior to construction, and (5) support other actions necessary to fully implement the proposed project. I further certify that the estimated costs included herein are reasonable and agree to follow through on the project once programmed in the Florida Department of Transportation's Work Program. I fully understand that significant increases in these costs could cause the project to be removed from the Florida Department of Transportation work program.

If project is not located along a state roadway:

Is sponsor or applicant willing to administer project using the Department's Local Agency Program (check one)

## RESOLUTION NO. 2020-006

**A RESOLUTION OF THE GADSDEN COUNTY BOARD OF COUNTY COMMISSIONERS, TO SUPPORT CONSTRUCTION OF A SIDEWALK PROJECT ALONG ST. HEBRON ROAD FROM PT. MILLIGAN ROAD TO FONTANA TRAIL THEN DOWN FONTANA TRAIL TO THE ST. HEBRON PARK WITH TRANSPORTATION ALTERNATIVE PROGRAM FUNDING; AND PROVIDING FOR AN EFFECTIVE DATE.**

**WHEREAS**, walking helps meet the goals of Chapter 339.175 Florida Statutes; Metropolitan Planning Organization – to serve the mobility needs of people while minimizing transportation related fuel consumption and air pollution; and

**WHEREAS**, the Center for Disease Control (CDC) encourages people to walk for fitness, transportation and fun; and

**WHEREAS**, MAP-21, the Moving Ahead for Progress in the 21<sup>st</sup> Century Act (P.L. 112-141), was signed into law by President Obama on July 6, 2012, to address growing concerns about air quality, open space, and traffic congestions. The Transportation Alternative Program (TAP) strengthens the cultural, aesthetic, and environmental aspects of the Nation's intermodal transportation system; and

**WHEREAS**, this support is consistent with FDOT, CDC, and MAP-21 policies supporting alternative means of transportation.

**NOW THEREFORE, BE IT RESOLVED**, by the Gadsden County Board of County Commissioners, Florida that: they support the construction of the SIDEWALK PROJECT ALONG ST. HEBRON ROAD FROM PT. MILLIGAN ROAD TO FONTANA TRAIL, THEN DOWN FONTANA TRAIL TO ST. HEBRON PARK.

PASSED AND DULY ADOPTED BY THE GADSDEN COUNTY COMMISSION ON THIS 18TH DAY OF FEBRUARY, 2020.

Re: Letter of Support - St. Hebron Road

To whom it May Concern  
2020

My name is Lillie Mae Young a  
Citizen of Gadsden County, Florida. I am  
writing this letter in full support of  
constructing a side walk on St. Hebron  
where I have lived all my life.

In my honest opinion, having a  
sidewalk installed on St Hebron Road  
will enhance Pedestrians' and bike  
safety, expand travel choices and im-  
prove the transportation experiences for  
the citizen of Gadsden County. It  
will also allow me to take a stroll  
through my Community to get some  
much needed exercise.

RE: Letter of Support - St. Hebron Road

TO: WHOM IT MAY CONCERN

My name is Ethelyn J. R. Cunningham, a citizen of Gadsden County, Florida. I am writing this letter in full support of constructing a sidewalk on St. Hebron Road where I have lived all my life.

In my opinion, having a sidewalk installed on St. Hebron Road will enhance pedestrians and bike safety, expand travel choices and improve the transportation experience for the citizens of Gadsden County. It will also allow me and my family to take a walk or run through my community on a sidewalk rather than in the street traffic.

If you have any questions, you may call me at (850) 627-9346.

Sincerely,

  
Ethelyn J. R. Cunningham

RE: Letter of Support - St. Hebron Road

TO: WHOM IT MAY CONCERN

My name is Nathaniel Cunningham, Jr., a citizen of Gadsden County, Florida. I am writing this letter in full support of constructing a sidewalk on St. Hebron Road where I have lived all my life.

In my opinion, having a sidewalk installed on St. Hebron Road will enhance pedestrians and bike safety, expand travel choices and improve the transportation experience for the citizens of Gadsden County. It will also allow me and my family to take a walk or run through my community on a sidewalk rather than in the street traffic.

If you have any questions, you may call me at (850) 627-9346.

Sincerely,

A handwritten signature in black ink that reads "Nathaniel Cunningham, Jr." The signature is written in a cursive style with a large, stylized "N" and "C".
