## AGENDA ITEM 9 A

# FISCAL YEAR 2020 – FISCAL YEAR 2024 TRANSPORTATION IMPROVEMENT PROGRAM AMENDMENT

TYPE OF ITEM: Information

### **STATEMENT OF ISSUE**

The purpose of this item is to inform the board that subsequent to the November 19, 2019 meeting, the CRTPA Fiscal Year (FY) 2020 – FY 2024 Transportation Improvement Program (TIP) was administratively amended to include information related to two (2) projects located on federal lands within the CRTPA region. Specifically, Appendix F (“FHWA - Eastern Federal Lands Highway Division Projects AND Information Items”) was revised to include the projects (a bike lane and a resurfacing) which are located in Leon and Gadsden counties, respectively.

### **HISTORY AND ANALYSIS**

The CRTPA was recently contacted by the Federal Highway Administration to amend the current TIP to include two transportation projects that are located within federal lands in the CRTPA region. Specifically, the projects involve the construction of two bike lanes on CR 375 (Leon County) and the resurfacing of a roadway near the Jim Woodruff Dam in Gadsden County. The projects will be placed included in Appendix F (“FHWA - Eastern Federal Lands Highway Division Projects AND Information Items”).

With regards to the proposed inclusion of these two projects within the CRTPA’s TIP, the projects are included within the Eastern Federal Lands Highway Division (EFLHD) Transportation Improvement Program. The EFLHD TIP provides a list of transportation improvements for a four-year period among the primary programs administered by the Office of Federal Lands Highway, the Federal Lands Transportation Program and the Federal Lands Access Program. Projects on this list that are in an MPO area are required to be included in the local MPO TIP in which they are geographically located.
