Acknowledgements

The Tallahassee-Leon County Bicycle-Pedestrian Master Plan would like to thank the diverse group of participants and partners whose input was critical in the success of this Plan and the network recommendations formulated within it. We extend our sincere appreciation to the following partners:

Tallahassee-Leon County Planning Department

Blueprint Intergovernmental Agency

City of Tallahassee Underground Utilities

Leon County Public Works

Florida State University

Capital City Cyclists

FDEP Office of Greenways and Trails

Individual local bicycling enthusiasts

And the many members of the public who provided input on the development of this document

Thank you!
