The Honorable Curtis Richardson, Chair  
Capital Region Transportation Planning Agency  
300 South Adams Street, A-19  
Tallahassee, Florida 32301

Dear Chair Richardson:

Thank you for submitting the Capital Region Transportation Planning Agency (CRTPA) Transportation Improvement Program (TIP) for fiscal years 2017/2018 through 2021/2022. In accordance with Section 339.175(8)(g), Florida Statutes, the Department of Economic Opportunity (Department) reviews each TPO's annual TIP for consistency with the comprehensive plans of affected local governments for the purpose of identifying projects that are inconsistent with those plans.

Consistency of the TIP with local government comprehensive plans is important: transportation projects developed with federal aid require consistency with local plans to the extent feasible; and, inclusion of TIP projects in local government comprehensive plans serves as an acknowledgement of those local governments' support for the projects.

Our review of the Capital Region TPA TIP indicates that it is consistent with the comprehensive plans of all of the CRTPA's member local governments.

We appreciate your ongoing efforts to coordinate with your member local governments to ensure that the transportation projects in your TIP are consistent with local government comprehensive plans. Should you have any questions concerning this determination or the review process, please contact Matt Preston at (850) 717-8490, or [matt.preston@deo.myflorida.com](mailto:matt.preston@deo.myflorida.com).

Sincerely,

James D. Stansbury, Chief  
Bureau of Community Planning and Growth
