RE: Administrative Amendment to the CRTPA Fiscal Years' 2019/20 through 2023/24 Transportation Improvement Program (TIP)

Dear Mr. Slay:

The purpose of this letter is to request that you approve an administrative amendment to the adopted CRTPA's Transportation Improvement Program (TIP) for FY 2019/20 through 2023/24 TIP to reconcile differences between the TIP and the Department's Adopted Five Year Work Program. As you are aware, the FY 2020/21 through 2024/25 TIP will not become recognized as effective for federal purposes until October 1, 2020. Until then, the FY 2019/20 through 2023/24 TIP will be used by FHWA and FTA for authorization of funds. The differences between the two documents need to be reconciled so that your current TIP includes the most accurate and up-to-date information.

This request follows the process outlined in Federal Aid Technical Bulletin 04-01, dated June 10, 2004. All of the project information contained in this request is exactly as it appears in the FY 2020/21 through 2024/25 TIP that was approved by your Board on June 15, 2020. Your approval of this request will eliminate the differences between the two documents for federally funded projects that could require federal authorization before October 1, 2020, as well as confirm their consistency with the CRTPA's current Long Range Transportation Plan (LRTP). This process will not replace the usual committee review and Board approval that is followed for regular TIP amendments that are required at other times of the year. This action will simply reconcile the documents for the period between the beginning of the State and Federal fiscal years.

The projects submitted for your approval include:

FPN	Project Name	Description	Fund	Phase	Fiscal Year	Funding
434035-1	CR 22 over Sopchoppy River Bridge No. 590029	Design	ACBR	PE	21	\$990,000
444030-2	CR 260 Silver Lake Rd from Beginning of Pavement to Ice Hockey Ln	Design	ACSS	PE	21	\$25,211

445634-1	SR 155 Meridian Rd from SR 61 Thomasville Rd to CR 63A Lakeshore Dr	Design	DIH DS SA	PE	21	\$69,000 \$262,782 \$427,218
445657-1	SR 8 (I-10) from Leon County Line to Madison County Line	Design	ACSS	PE	21	\$165,000
446633-1	Blountstown St from SR 10 (US 90) Tenn St to CR 158 Tharpe St	Construction	ACSA ACSU LF SU TALU	CST	21	\$35,304 \$277,339 \$502,501 \$172,661 \$300,208

Please acknowledge your approval of this administrative amendment to your current TIP by signing this letter and returning it to this office for further processing. The Department appreciates your expeditious handling of this request. If you have any questions, please feel free to contact me at (850) 330-1537.

Sincerely,

 Casey Johns
