COMMITTEE AGENDA ITEM 5B

2050 LONG RANGE TRANSPORTATION PLAN KICKOFF

TYPE OF ITEM: Presentation/Discussion/Action

STATEMENT OF ISSUE

Kittelson and Associates (KA) will be making a presentation to kick off the 2050 Long Range Transportation Plan (LRTP). KA will outline the key components of the LRTP, and the timeline associated with completing the project.

BACKGROUND

The Capital Region Transportation Planning Agency (CRTPA) is required to update the Long Range Transportation Plan (LRTP) in five-year cycles. The LRTP is the most important document produced by the CRTPA since it provides the public guidance on the transportation system in the region for a horizon period of 20 years. This document will include all modes of transportation ranging from pedestrian, bike, transit, roadway, freight, and rail.

The last update of the LRTP (Connections 2045 Regional Mobility Plan) was completed and approved by the CRTPA Board in November 2020. The LRTP is scheduled to be adopted in November 2025.

NEXT STEPS

The consultant team will begin working on the LRTP by initiating the development of the Public Participation Plan, updating the Guiding Principles, Goals and Strategies, and collecting transportation system data.
