Welcome to the District Three Tentative Work Program

The Five-Year Work Program is our plan for transportation system improvements programmed during the next five years. The Five-Year Work Program includes planning activities, preliminary engineering, right-of-way acquisition, construction, and public transportation projects within the following 16 counties: Bay, Calhoun, Escambia, Franklin, Gadsden, Gulf, Holmes, Jackson, Jefferson, Leon, Liberty, Okaloosa, Santa Rosa, Wakulla, Walton and Washington.

The current **Adopted Five-Year Work Program** covers Fiscal Years 2026 through 2030 (projects programmed July 1, 2025, through June 30, 2030) and was adopted on July 1, 2025. To view and search selections of the adopted with amended and historical versions of the Five-Year Work Program, you may use the [Five-Year Work Program online search tool](#). You may also view county summary reports of the [adopted program by clicking here](#).

The **Tentative Five-Year Work Program** includes projects scheduled for Fiscal Years 2027 through 2031 (projects programmed July 1, 2026, through June 30, 2031). After the public comment period ends, the Tentative Work Program is reviewed by the Florida Legislature and the Governor, which is then adopted by the State Secretary of Transportation on July 1, 2026.
