II. Preamble

The following sets forth the Bylaws, Policies and Procedures that shall serve to guide the proper functioning of the urban transportation planning process by the CRTPA. The intent is to provide policies and procedures for the CRTPA and its Standing Committees for fulfilling the requirements of the Interlocal Agreement that creates the CRTPA; the applicable provisions of federal law; and the applicable provisions of Chapter 339.175, Florida Statutes. Any interpretations of the Interlocal Agreement by these bylaws shall be the preferred interpretation for the CRTPA unless there is a direct and express conflict with the Interlocal Agreement. Furthermore, all provisions contained in these Bylaws shall be interpreted to be consistent with all applicable state and federal law.

III. Purpose

Pursuant to Section 339.175, Florida Statutes, the purpose of the CRTPA is:

- A. To assist in the safe and efficient management, operation, and development of surface transportation systems embracing various modes of transportation in a manner that will serve the mobility needs of people and freight and foster economic growth and development within and through urbanized areas of this state while minimizing transportation-related fuel consumption, air pollution, and greenhouse gas emissions through the metropolitan transportation planning process;
- B. To develop, in cooperation with the state and public transit operators, transportation plans and programs for metropolitan areas. The plans and programs for each metropolitan area must provide for the development and integrated management and operation of transportation systems and facilities, including pedestrian walkways and bicycle transportation facilities that will function as an intermodal transportation system for the metropolitan area, based upon the prevailing principles provided in s. 334.046(1);
- C. To ensure that the process is integrated with the statewide planning process the CRTPA shall implement and ensure a continuing, cooperative, and comprehensive transportation planning process that considers all modes of transportation based on the complexity of the transportation problems to be addresses and results in coordinated plans and programs consistent with the comprehensively planned development of this affected metropolitan area in cooperation with the Florida Department of Transportation (“Department”);
- D. To ensure that the process is integrated with the statewide planning process the CRTPA shall develop plans and programs that identify transportation facilities that should function as an integrated metropolitan transportation system, giving emphasis to facilities that serve important national, state and regional transportation functions. For the purpose of this section, those facilities on the Strategic Intermodal System designated under s. 339.63 and facilities for which projects have been identified pursuant to s. 339.2819(4).

The following committees have been created by the CRTPA, are ratified herein and shall serve as standing committees, with membership subject to appointment by the CRTPA Board:

 - a. The TAC serves in an advisory capacity to the CRTPA on matters related to coordinating transportation planning and programming including, but not limited to, review of CRTPA related transportation studies, reports, plans and programs. The TAC shall assist the CRTPA by providing technical resources and recommendations as requested.

- d. In addition, the TAC shall coordinate its actions with local school boards and other local programs and organizations within the metropolitan area which participate in school safety activities, such as locally established community traffic safety teams. Local school boards must provide the CRTPA with information concerning future school sites and in the coordination of transportation service.
 - e. The TAC shall have additional advisory (non-voting) members as the CRTPA deems advisable.
 - f. Each member of the TAC is expected to demonstrate interest in the technical advisory committee's activities through attendance at the regularly scheduled meetings except for reasons of an unavoidable nature. Such recommendations shall be forwarded to the appointing agency or governmental unit through the CRTPA Executive Director.
2. The Citizens Advisory Committee (known as the Citizens Multimodal Advisory Committee) (CMAC), which shall function as provided in Section 339.175(6)(e)1 and (8)(b), Florida Statutes, and as otherwise directed by the CRTPA Board. Minorities, the elderly, and the handicapped must be adequately represented as well as representatives and users of various transportation modes.
- a. The community at large shall be represented in the transportation planning process by the CMAC. The CMAC serves in an advisory capacity to the CRTPA for the purpose of assisting in the formulation of the CRTPA's goals and objectives, seeking reaction to planning proposals and providing comment with respect to the concerns of various segments of the population regarding their transportation needs.
 - b. Notwithstanding the above provisions, the CRTPA may, with the approval of the department and the applicable federal governmental agency, adopt an alternative program or mechanism to ensure citizen involvement in the transportation planning process.
 - c.

V. CRTPA General Policies

- A. The CRTPA agenda will be limited to required items only as determined by the Chairperson. Board Members are requested to coordinate with the Executive Director on those items that they wish to have considered, so that they can be adequately staffed prior to being heard by the Board.
- B. The Executive Director is directed to assist the Chairperson in scheduling important matters for Board consideration, where practicable, for at least one discussion meeting prior to scheduling the matter for Board action at a subsequent meeting. Notwithstanding the foregoing, unless otherwise provided by law, Board action shall not be delayed nor subject to challenge simply because it was acted upon at the same meeting at which it was first discussed by the Board. Workshops, retreats and delegated subcommittees of Board Members shall also be considered as methods of exchanging information and opinions on and focusing the analysis of important matters that may later come before the Board for action.

VI. CRTPA Specific Policies

- A. Any policy that affects planning efforts and not administration nor procedural policies of the CRTPA shall be adopted solely by resolution and not become part of these bylaws. All resolutions will be kept in a separate section of each member's agenda book for reference purposes.
- B. A majority vote will be required by the CRTPA when amending, adding, or deleting projects from the Transportation Improvement Program (TIP), the Priority Project List, any Project Development and Environment Study, and any intersection improvement study requiring the approval of the CRTPA. Per Chapter 339.175(13) Florida Statutes, any amendment that affects projects in the first three years of the TIP must be approved on a recorded roll-call vote or hand-counted vote of a majority of the membership present.

VII. Funding of the CRTPA

- A. Annually, each member government, with the exception of the Leon County School Board, shall pay a proportional share of the operating costs of the CRTPA, over and above the amount annually provided by federal and state sources. Proportional costs are based on population. To the extent that funding allocated for CRTPA operations is exceeded by expenses, the balance shall be funded by the members.. The Leon County School Board shall provide in-kind services in lieu of direct funding for CRTPA operations.

- B. The CRTPA staff will perform only those services required by applicable Federal Code and State Statute. If tasks are requested by the CRTPA that are not part of the statutory duty of the CRTPA staff, additional funding will be provided by the member governments.
- C. Prior to July 1 an estimate of the local funding amount will be made known in the Unified Planning Work Program.. Subsequent to the adoption of the Unified Planning Work Program the CRTPA will adopt its annual operating budget. The Unified Planning Work Program is the de facto budget of the CRTPA.
- D. No later than December 31, the CRTPA will send to each member government, with the exception of the Leon County School Board, their proportional share amount due based on prior fiscal year expenditures from October 1 through September 30.
