CITIZEN'S MULTIMODAL ADVISORY COMMITTEE APPLICATION

Please tell us something about yourself! This information will help us create an advisory board that is reflective of a broad spectrum of the community. If you have any interests, hobbies, community activities, previous experience on committees, or anything else you would like us to know in consideration of your application please write it here. What brings me to volunteer for the CRTPA Citizen Multimodal Advisory Committee is my background as a Transportation Project Manager and Transportation Planner. I've worked on access management for Complete Streets projects, as well as working as a Public Involvement Coordinator and Transit Planner. Additionally, I have a strong interest in policy and sociocultural issues-both of which intersect multimodal issues.

In my free time, I enjoy painting, DIY projects, hiking and cooking. Community activities I've been involved in include Adopt-a-highway with multiple employers. Additionally, my previous committee experience includes being on the scholarship committee for the local chapter of the Women's Transportation Seminar and being the Sargent-at-Arms for the Tallahassee Toastmasters Executive Committee.

How did you hear about us?

I was reviewing the CRTPA website and saw a great opportunity to give back to the local community and region in a meaningful way.

All statements and information provided in this application are true to the best of my knowledge.
