## **HISTORY AND ANALYSIS**

Adopted annually, the CRTPA's Transportation Improvement Program reflects those projects in the region that have received state and federal funding within the State Work Program. Subsequent to adoption, the TIP is occasionally formally amended to reflect project changes such as the addition or deletion of a project as well changes to existing projects related to funding or project scope.

The CRTPA was recently contacted by the Florida Department of Transportation to amend the current TIP to include the following projects:

- SR 8 (I-10) (limits: Gadsden County Line to west of SR 263 Capital Circle) (Project # 2225306): Provide design funding for the widening of Interstate 10 (Leon County); funding amount: \$1,925,000.

Subsequent to Board approval, the FY 2020 – FY 2024 TIP will be updated to reflect the project's addition.
