My wife is a triathlete. We moved to Gadsden Co. to ride. We purchased land on one of Havana's Hills in 1988 & built soon after. My job was to be a domestique while Barbara trained, keep her out of the wind, and find interesting routes for her to train. We have ridden over 100,000 miles here since 1991. My dream - sitting in front of her in the wind, was to have a trail from Tall. so people could see the beauty of this unique region county. I am a retired Chiropractor. (See ride with gps/find.com)

How did you hear about us?

Havana is close to Tallahassee, yet people have little idea how special it is. A trail would prove Tallahassee, as much as it would Havana.
