(11:30 a.m. –1:30 p.m.)

RENAISSANCE CENTER
2ND FLOOR CONFERENCE ROOM
435 N MACOMB STREET
TALLAHASSEE, FL 32301

Meeting Minutes

Members Present: Chad Hanson, Ernest Bradley, Julie Christensen, Roger Holdener, Aimee Longstreet, Christie Hale, Marcus Thompkins

Staff and Others Present: Greg Slay, Executive Director; Jack Kostrzewa, CRTPA; Greg Burke, CRTPA; Yulonda Mitchell, CRTPA; Kaylor Collins, FDOT; Lindsay Slautterback, Kimley Horn & Associates

1. AGENDA MODIFICATIONS

There were no agenda modifications.

2. PUBLIC COMMENT ON ITEMS NOT APPEARING ON THE AGENDA

There were no public speakers.

3. CONSENT AGENDA

A. **Minutes of the June 2, 2026, CMAC Meeting**
B. **2026 CRTPA Committee Meeting Calendar**
C. **Unified Planning Work Program (UPWP) Amendment**
D. **Transportation Improvement Program (TIP) Amendment**

Committee Action: Ms. Christensen made a motion to approve the consent agenda. Mr. Thompkins seconded the motion, and the motion was unanimously passed.

4. CONSENT ITEMS PULLED FOR DISCUSSION

There were no items pulled for discussion.

5. PRESENTATION/DISCUSSION/ACTION

The public is welcome to comment on any discussion item. Each member of the public is provided three (3) minutes to address the Committee.

A. US 90 West Trail Feasibility Study

The US 90 West Trail Feasibility Study evaluating the potentiality to construct a multiuse trail on US 90 from Chattahoochee east to SR 12 in Quincy has been completed and will be discussed.

RECOMMENDED ACTION: Recommend the CRTPA Board approve the US 90 West Trail Feasibility Study.

Mr. Burke introduced Ms. Lindsay Slautterback, Kimley Horn & Associates to present the US 90 West Trail Feasibility Study.

Ms. Slautterback provided background on the US 90 West Trail Feasibility Study in Gadsden County and stated the study limits were from Chattahoochee (Jackson County line) to the east side of Quincy, a total of about 22 miles. She stated this study was completed in two phases with the first phase including data analysis, existing conditions analysis, identifying stakeholders. The second phase included public engagement and feasibility report with identified alternative routes. Ms. Slautterback stated the study is scheduled to be presented to the CRTPA Board at their September 28 meeting for approval. She provided information on public involvement and noted that a StoryMap was created that to date has received approximately 1000 views. Additionally, a popup event was held in Chattahoochee as well as two public meetings held in June in Chattahoochee and Quincy.

Ms. Slautterback next outlined the alternatives identified in the study including those for downtown Quincy and Chattahoochee. She further discussed additional constrained areas identified along US 90 and options available to address the constraints.

Mr. Hanson asked if there would be separate lanes/Trail in the towns. Ms. Slautterback stated those decisions would be determined in the PD&E phase, which would be required due to the wetlands in the area. She further explained the next step would be Board approval for the Feasibility Study, followed by PD&E phase and construction once funding becomes available. Ms. Slautterback noted the funding was not currently available for the next phases. Mr. Thompkins asked about additional trees for shade along the trail. Ms. Slautterback explained that the decision would be made in the design phase. Mr. Slay explained the SUN Trails program only builds the trail and all amenities would be built and maintained by the local governments after the trail was constructed.

Committee Action: Mr. Thompkins made a motion to recommend approval of the US 90 West Trail Feasibility Study. Ms. Christensen seconded the motion, and the motion was unanimously passed.

6. INFORMATION

A. Future Meeting Date (October 6, 2026)

Mr. Slay stated that the October meeting would likely be cancelled but would let the committee know via email. He stated the next meeting would be Monday, November 1, 2026, as the City of Tallahassee would be closed on the regular meeting date.

7. ITEMS FROM COMMITTEE MEMBERS OR STAFF

Ms. Lex stated there would be an upcoming helmet fitter training scheduled in conjunction with FSU Sustainability Group. She stated notices would be sent out once that training is scheduled and it was open for anyone to attend.

Mr. Burke stated the Orchard Pond Environmental Impact Study update would be provided at the November Committee meetings. He noted that funding will be pursued for the next (design) phase of this project. He also noted there were scheduled public meetings on Monday, November 9, 2026, at Lake Jackson Community Center 5:00 pm - 6:00 pm.

Mr. Kostrzewa provided an update for the Ochlocknee Bay Trail to Alligator Road bridge replacement.

8. ADJOURNMENT

The meeting was adjourned at 12:31 pm.
