**COMMITTEE AGENDA ITEM 3C**  
**FISCAL YEAR (FY) 2024 – FY 2028**  
**TRANSPORTATION IMPROVEMENT PROGRAM**  
**AMENDMENT**

TYPE OF ITEM: TYPE OF ITEM: Consent

**STATEMENT OF ISSUE**

The purpose of this item is to amend the CRTPA Fiscal Year (FY) 2024 – FY 2028 Transportation Improvement Program (TIP) to include the following project:

- Tallahassee Connection: Sustainable Southside Transit Center 442542-3: (Leon County) Fifteen million in federal grant funding in FY 24 for the construction of the City of Tallahassee's project, the Sustainable Southside Transit Center.

**RECOMMENDED ACTION**

Option 1: Recommend the Board Adopt Resolution No. 2023-11-6A amending the FY 2024 – FY 2028 Transportation Improvement Program to the include the following project:

- Tallahassee Connection: Sustainable Southside Transit Center 442542-3: (Leon County) Fifteen million in federal grant funding in FY 24 for the construction of the City of Tallahassee StarMetro project, the Sustainable Southside Transit Center.

**HISTORY AND ANALYSIS**

Adopted annually, the CRTPA's Transportation Improvement Program reflects those projects in the region that have received state and federal funding in the Florida Department of Transportation (FDOT) Five-year Work Program. Subsequent to adoption, the TIP is occasionally amended to reflect project changes such as the addition or deletion of a project. The FDOT District Three requested Project No. 442542-3, and the associated federal funding, be amended into the CRTPA's TIP for the purpose of tracking the project.

Awarded through the Rebuilding American Infrastructure with Sustainability and Equity competitive grant process, the 15 million in funding will support the construction of the Southside Transit Center. Once complete the project enhances access to public transportation and supports the City's goal to provide a safe, sustainable, and reliable transportation system for all. In addition, while not reflected in the funding line, one million in state funding is programmed as part of the required funding match. This is noted on the project page.

Subsequent to Board approval, the executed Resolution will be forwarded to the Department of Transportation and the FY 2024– FY 2028 TIP will be updated to reflect the addition of the project.
