

Thomasville Road Multi-Use Path

James Johnson, PE

May 22, 2023

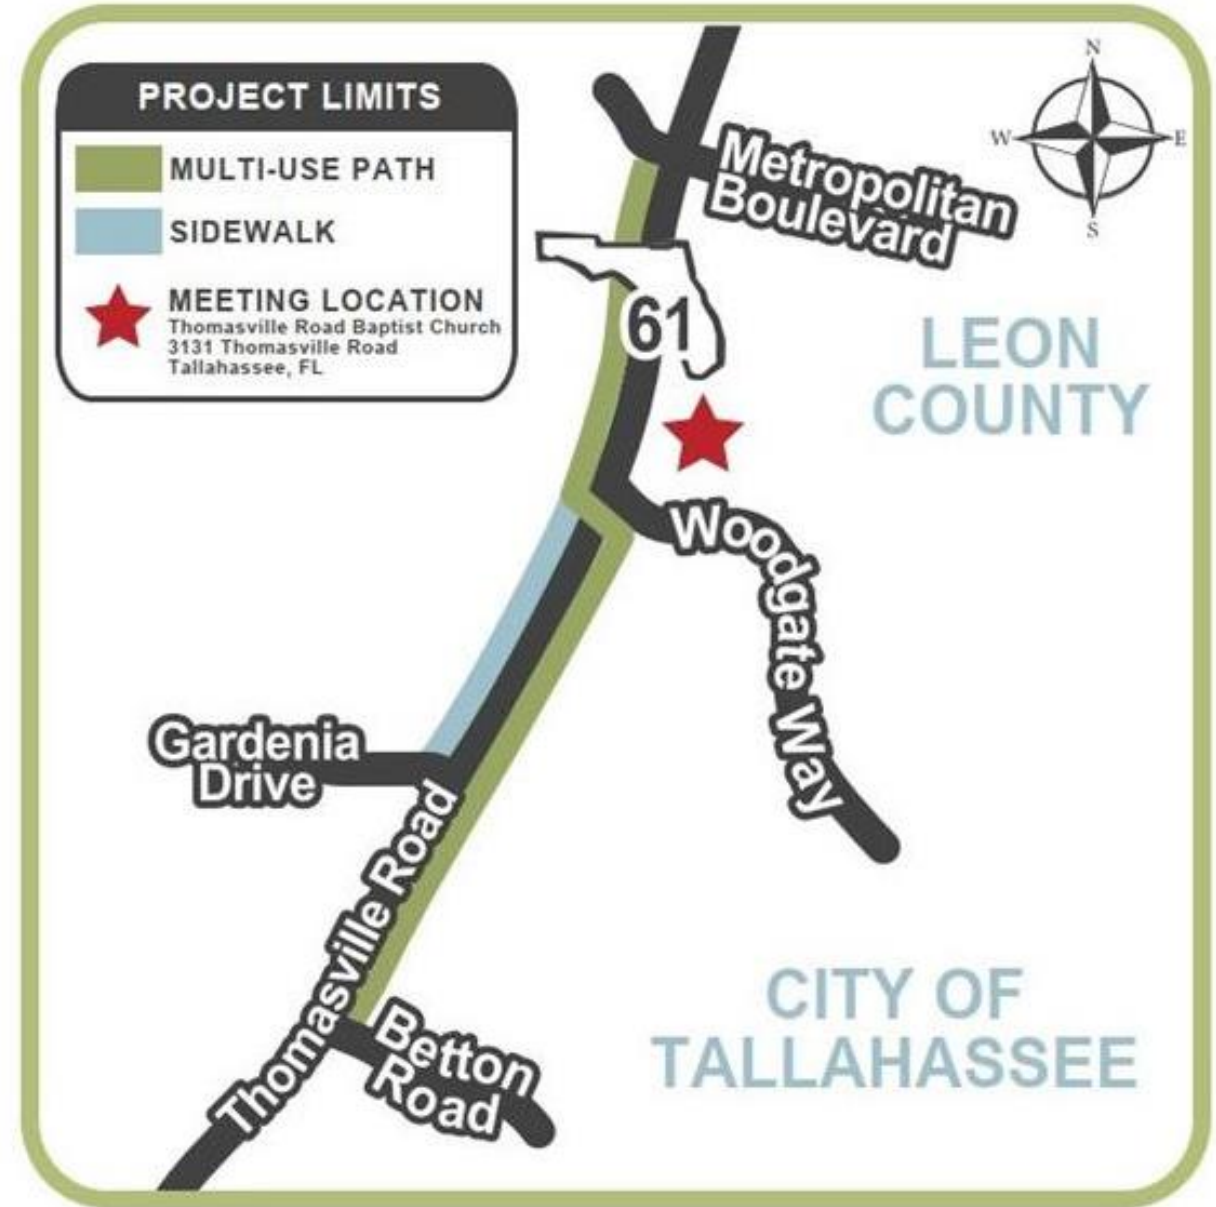

Project Overview

PROJECT INFORMATION

The intent of this project is to add an 8 to 12-foot-wide multi-use path along the existing road.

- The multi-use path will cross Thomasville Rd south of Woodgate Way
- Existing bike lanes on both sides of the road will be removed.
- Sidewalk will be added on the west side of Thomasville Rd from Gardenia Drive to Woodgate Way.

No additional right-of-way is required.
Construction is not funded in the current FDOT Five-Year Work Program.

Existing Thomasville Road

Betton Road to Metropolitan Boulevard

Proposed Thomasville Road

Betton Road to Woodgate Way

- Removing existing bike lanes
- Adding multi-use path on east side of road
- Adding sidewalk on west side of road where none exists

Proposed Thomasville Road

Woodgate Way to Metropolitan Boulevard

- Removing existing bike lanes
- Adding multi-use path on west side of road
- Sidewalk on east side of road will remain
