Staff and Others Present: Greg Slay, Executive Director; Jack Kostrzewa, CRTPA; Greg Burke, CRTPA; Yulonda Mitchell, CRTPA; Kaylor Collins, FDOT; Beau Scott, Leon County Development Support and Environmental Management; Chris Muehlemann, Leon County Public Works, Transportation; Molly Levesque, City of Tallahassee Traffic Engineering.

1. **AGENDA MODIFICATIONS**

There were no agenda modifications.

2. **PUBLIC COMMENT ON ITEMS NOT APPEARING ON THE AGENDA**

There was no public comment.

3. **CONSENT AGENDA**

A. Minutes of the February 3, 2026, TAC Meeting

Committee Action: Ms. Corbett made a motion to approve the minutes of the February 3, 2026, TAC Meeting. Mr. Gooch seconded the motion, and the motion was unanimously passed.

4. **CONSENT ITEMS PULLED FOR DISCUSSION**

5. PRESENTATION/DISCUSSION/ACTION

The public is welcome to comment on any discussion item after a motion has been made and seconded. Each member of the public is provided three (3) minutes to address the Committee.

A. Fiscal Year (FY) 2027– FY 2031 Transportation Improvement Program (TIP) Adoption

The FY 2027 – FY 2031 TIP reflecting the projects that have received funding in the Florida Department of Transportation Work Program has been developed.

RECOMMENDED ACTION: Recommend the CRTPA adopt the FY 2027 – FY 2031 TIP.

Mr. Burke provided background information, noting that the Transportation Improvement Program (TIP) requires annual adoption. He explained that the TIP reflects projects that have received funding in the Florida Department of Transportation (FDOT) Work Program and demonstrates the financial feasibility of transportation projects throughout the CRTPA region.

Mr. Burke stated that the TIP is organized by project categories, including Aviation, Roadways, Trails, and other transportation improvements. He noted that the current TIP includes approximately \$490 million in programmed funding across the region and provided highlights of projects included in the FDOT Work Program for each county.

In Leon County, Mr. Burke highlighted that the Crawfordville Road project from L.L. Wallace Road to SR 61 has received full funding for both right-of-way acquisition and construction. He also noted that the adjacent segment, from the Wakulla County line north to L.L. Wallace Road, has received right-of-way funding only. In addition, he stated that funding is programmed for resurfacing projects throughout the region, including US 90, US 27, I-10, Blountstown Highway, and Thomasville Road.

Mr. Burke also discussed bicycle and pedestrian projects included in the TIP. He noted that the US 90 East project in Leon County, from Edenfield Road to the Jefferson County line, has received design funding. Additionally, he stated that construction funding for the Wakulla Springs Trail project in Wakulla County is programmed for Fiscal Year 2031.

Mr. Burke highlighted the TIP's interactive online tool, which allows members of the public to review programmed projects and submit comments.

Ms. Corbett asked whether the Crawfordville Road project included roadway widening. Mr. Slay responded that the project is generally expected to include shoulder improvements rather than capacity widening.

Committee Action: Mr. Wu made a motion to recommend approval the FY 2027 – FY 2031 TIP. Ms. Caulder seconded the motion, and the motion was passed unanimously.

B. Fiscal Year (FY) 2028 – FY 2032 Project Priority Lists (PPLs)

The FY 2028 – FY 2032 Project Priority Lists has been developed:

1. Regional Mobility Plan (Capacity) Project Priority List
2. Bicycle and Pedestrian Project Priority List
3. Regional Shared Use Paths (Trails) Project Priority List
4. StarMetro Project Priority List
5. Intelligent Transportation Systems (ITS) Project Priority List
6. Tallahassee International Airport Project Priority List

RECOMMENDED ACTION: Recommend the CRTPA adopt the FY 2028 – FY 2032 Project Priority Lists.

Mr. Burke provided background information on the annual Project Priority List (PPL) process. He explained that the PPLs are adopted annually in June and identify the project phases for which the CRTPA is seeking funding through the Florida Department of Transportation (FDOT) Work Program. Mr. Burke stated that the PPLs are developed using the CRTPA's adopted planning documents, including the Regional Mobility Plan, Congestion Management Plan, StarMetro Transit Development Plan (TDP), Airport Master Plan, and the Transportation Alternatives (TA) Program. He noted that the PPLs were scheduled for Board adoption on June 15.

Mr. Burke explained that the priority lists remain largely unchanged from the previous year in order to provide a consistent message to FDOT during development of the State Work Program, recognizing that available funding is limited. He highlighted that the Woodville Highway project remains the number one roadway priority, followed by Orange Avenue and Crawfordville Road. He noted that the Crawfordville Road project from L.L. Wallace Road to SR 61 has been removed from the priority list because it has received full funding. Mr. Burke explained that projects remain on the PPLs until they are fully funded and included within the first three years of the FDOT Work Program.

Mr. Burke also reviewed the Bicycle and Pedestrian Priority List, highlighting projects such as the Thomasville Road Shared-Use Path and downtown sidewalk improvements. He then discussed the Regional Trails Priority List, noting that it reflects projects included in the Florida SUN Trail Network. These projects include the US 90 East Trail in Leon County, the US 90 West Trail Feasibility Study in Gadsden County from Quincy west to Chattahoochee, the Leon County segment of the Tallahassee-to-Havana Trail, and the Gadsden County segment of the Tallahassee-to-Havana Trail, which is currently in the design phase and is being managed by Gadsden County. Mr. Burke noted that these projects will help connect regional trail facilities being developed by multiple agencies throughout the region.

Mr. Burke next discussed the StarMetro Transit Priority List, noting that it is developed by StarMetro. He also reviewed the Intelligent Transportation Systems (ITS) Priority List, explaining that it is

developed through close coordination between the CRTPA and the Regional Traffic Management Center and includes projects related to system implementation, staffing, software, and hardware. Finally, Mr. Burke discussed the Tallahassee International Airport Priority List, noting that it is developed by the Airport. He stated that all of the priority lists were scheduled for Board adoption in June.

Mr. Gooch asked about the funding totals shown for the ITS Priority List, noting that the amounts included in the agenda may not be accurate. Mr. Slay responded that he had been coordinating with Mr. Hollingsworth and stated that updates to the project list and funding totals would be incorporated before the item is presented to the Board.

Committee Action: Mr. Wu mad a motion to recommend adoption of the FY 2028 – FY 2032 Project Priority Lists. Ms. Caulder seconded the motion, and the motion was unanimously passed.

6. INFORMATION

- A. Future Meeting Date (Next Meeting: September 1)**
- B. Fiscal Year 2027 & FY 2028 Unified Planning Work Program**
- C. Adopted Transportation Alternatives (TA) List**

7. ITEMS FROM COMMITTEE MEMBERS OR STAFF

Mr. Burke noted upcoming public meetings on two (2) CRTPA regional trail projects. Specifically, on Thursday, June 4, a meeting has been scheduled for the Tallahassee to Havana Trail (Leon County segment). The project generally follows the limits of the Orchard Pond Greenway and the meeting will occur from 5:30 pm - 6:30 pm at the Lake Jackson Community Center. He noted that the Gadsden County segment of the trail is being managed in Gadsden County Public Works.

Mr. Burke next noted upcoming public meetings being conducted related to the US 90 West Trail Feasibility Study (Gadsden County) from Quincy to Chattahoochee. The meetings are scheduled to occur on June 17 (Chattahoochee at City Hall) and June 18 (Gadsden County Commission Chambers, Quincy) and will begin at 5 pm.

8. ADJOURNMENT

The meeting was adjourned at 9:50 AM.
