

SEPTEMBER 2025

CRTPA REGION SIDEWALKS AND TRAILS WITH CONSTRUCTION FUNDING

Construction funding for several key sidewalk and trail projects within the CRTPA region has been programmed. Once constructed, these projects will enhance corridor safety by providing separated sidewalk and trail facilities where currently such facilities do not exist.

- **Waverly Road** (Limits: Meridian Road to Thomasville Road/SR 61) (1.235 miles) (Leon County). This City of Tallahassee sidewalk project has received partial Transportation Alternatives funding as is scheduled for construction in 2026 (\$3.5 million).

Waverly Road

- **Dr. MLK, Jr Memorial Road** (Limits: Rehwinkel Road to Mallard Pond Circle) (1.15 miles) (Wakulla County). This trail project is being funded with Transportation Alternatives funding and construction is scheduled to being in fiscal year 2026 (\$1.03 million).

Dr. MLK, Jr. Memorial Drive

- **N. Monroe Street** (Limits: Lakeshore Drive to John Knox Road (.896 miles) (Leon County). This project approximately \$5.6 million project and construction was initiated in 2025 to construct sidewalks along the west side of N. Monroe.

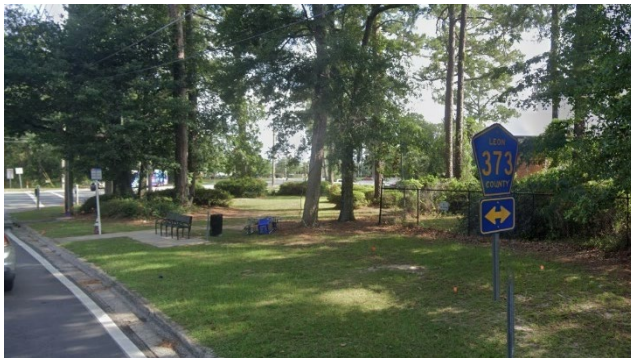

N. Monroe Street Corridor (west side)

- **Paul Russell Road** (Limits: Monday Road to Apalachee Parkway (1.2 miles) (Leon County). This project is funded for construction (\$2.9 million) in fiscal year 2025.

Paul Russell Road Corridor

- **Old St. Augustine Road** (Limits: Lafayette Street to Paul Russell Road (.989 miles) (Leon County). Construction is funded (\$1.4 million in SU funding) in fiscal year 2026.
